SUBJECT: 2003 HOUSING COMMISSION ELECTION

On December 17th the Housing Commission held its annual election of officers. I am pleased to announce the following results:

Ms. Treneatra Farmer was elected to the position of Chair. Ms. Farmer was appointed to the Commission in April 2002. She is one of the first individuals selected to represent Section 8 participants, following the Board's expansion of the Commission. She is the first Tenant Commissioner ever to be elected to an office.

Mr. Henry Porter was elected to a second consecutive term as Vice-Chair. He represents the Second Supervisorial District. He has been on the Housing Commission since January 2001.

We look forward to another productive year.
